Off-site Activities

As part of our site move to Willesley Scout Campsite, the programme team have worked hard to adapt the programme to the new site. Part of this means we will be offering off-site activities for every participant.

We will have Water activities and a Monopoly run on offer. Participants will get the chance to do 1 of these each and preferences of what they would like to do will be taken when they arrive on site. Kit lists will be sent in another newsletter.

Activity Highlight

Our first activity highlight just had to be climbing! It wouldn't be Scout camp without pulling on a harness, clipping in, and heading skyward. Whether you're racing to the top, challenging your friends, or just conquering your fear of heights, climbing is always one of the most exciting parts of camp. We can't wait to see everyone take on the tower and cheer each other on along the way!

Sub-camp Gateways!

We would love each subcamp to make their own gateway to their camping area. As you are camping in subcamps where you may not know everyone, we have arranged to do breakout rooms on the leaders pre-event meeting on 29th June for you all to have the chance to chat through your ideas and work logistics out etc. We can't wait to see what you create!
